COURSE FORMAT

There are 3 hours/week of scheduled instructor contact time and 2.5 hours/week of ad hoc instructor availability that may be scheduled at times mutually agreed upon by the instructor and the student. The scheduled time may be either classroom, online, or mixed-mode. Online assistance from the instructor is done via Zoom. Please see the course eLearn page for a Zoom link, days, and times.

For paced classes, students follow the class material at a pace set by the instructor. Students have the option of switching to self-paced at any point during the semester.

For self-paced classes, students work at their own pace. Self-paced classes allow students to either progress more quickly (finishing multiple levels in a subject during the semester) or more slowly (students may take up to 2 semesters to finish a level in a subject).

This course has content available on <https://elearn.capu.ca/> and students may use eLearn asynchronously (at any time that is convenient for them). If there are any synchronous (paced) activities, such as lectures or workshops, they will be recorded and will be available on eLearn if you are unable to attend at the designated time.

Students should expect to log in 3-4 times per week and to spend 6-8 hours per week on course readings, assignments, labs, quizzes and tests.

The Fall and Spring semesters are 15 weeks long. The two Summer semesters are 7 weeks long and have double the amount of scheduled and ad hoc instructor contact time.
