Note: EAP 100 and EAP 101 may be accepted as elective credits in some academic programs at CapU. Please check with Academic Advising about EAP courses counting as credit toward your academic program.

PATHWAY PROGRAMS

Pathway programs are cohort programs that allow you to take EAP courses at the same time as academic classes, so you can start earning credits towards your degree or diploma sooner. Instructors in EAP and academic courses work together to give you the extra support you need to succeed.

Business Administration Pathway

This eight-month, full-time program allows you to take EAP courses while earning 15 credits towards a business credential. Upon completion, you are eligible to enter the Business Administration program, provided you meet the admission requirements. See capilanou.ca/business-pathway

Early Childhood Care and Education Pathway

This eight-month, full-time program allows you to take EAP courses while earning nine credits towards an early childhood care and education credential. Upon completion, you are eligible to enter the ECCE program, provided you meet the admission requirements. See capilanou.ca/ecce-pathway

[CAPILANOU.CA/EAP](https://capilanou.ca/eap)

EAP PLACEMENT TEST

This four-hour test is given by the EAP department at the start of term in order to place you in the correct EAP level. Other tests such as IELTS, TOEFL, CAEL, ELA and Pearson may also be used for placement. For more information, see capilanou.ca/eap

HOW TO APPLY

Apply online: at capilanou.ca/apply

Note: Tuition is free for Canadian citizens and permanent residents, but incidental fees apply. See capilanou.ca/fees
