

SCHOOL OF EDUCATION & CHILDHOOD STUDIES

LAUNCH A CAREER IN EDUCATION

Programs in the School of Education & Childhood Studies at CapU foster intellectual curiosity and critical thinking to fit advocacy and leadership in education careers, advanced study and lifelong learning.

HELP CHILDREN THRIVE

In the Early Childhood Care and Education programs at CapU, you'll learn how to cultivate children's love of learning and create inclusive educational environments, with an emphasis on social justice and equity for children and families. You'll discover how to build collaborative relationships with children, families, colleagues and community members to provide relevant, responsive and caring educational experiences.

TRAIN TO BECOME AN EDUCATION ASSISTANT

We also offer an Education Assistant (EA) program, which will equip you with the knowledge and the skills needed to support K-12 students, who have diverse learning needs. This part-time, 16-month program features a 120-hour practicum placement and prepares you for a career that is in high demand.

CAREER PATHS

- Child advocate
- Early childhood educator, infant toddler educator and or Inclusive practice educator
