Comments:

- Students starting this program from September 2020 onwards are able to use this program planner. If you started the program before this term, please contact Academic Advising for an appropriate program planner or you may refer to [Capilano University Academic Calendar](#) for your program profile requirements.
- Students must ensure they complete a minimum of 65 credits of 100-level or higher coursework from within the Faculty of Arts & Sciences that have been designated as Arts, Humanities or Social Sciences.

See Note #1

Language Requirement

Demonstrated competency in a language other than English. The language requirement is competency based and requires students to reach an advanced beginner level or higher in a language other than English. The language requirement can be satisfied in one of the following ways:

1. successful completion of a Grade 12 course with a minimum B grade in an approved language other than English while in secondary school; or
2. successful completion of a secondary immersion program or secondary school at an institution at which the primary language of instruction is not English; or
3. successful completion of a post-secondary credential awarded by an institution at which the primary language of instruction is not English; or
4. successful completion of 6.00 credits of post-secondary level courses in a single language other than English; or
5. successful completion of EAP 100 or EAP 101.

Note: Students who fulfill this requirement with option 1, 2, 3, or 5 will be required to take 6.00 credits of lower level Arts and Sciences courses in place of the Language Requirement credits.

Note: EAP 100-level or higher credits can be used towards the elective requirements.

Note: Students who have completed a Grade 12 language course without meeting the minimum B grade can fulfill the Language Requirement by completing 3.00 credits of the appropriate language (CHIN 101, JAPN 101, SPAN 101 or FREN 150). Students who exercise this option will be required to take an additional 3.00 credits of lower level Arts and Sciences courses.

Note: Students who fulfill this requirement with option 1, 2, or 3 will be required to take 6.00 credits of lower level Arts and Sciences courses in place of the Language Requirement credits.

- **Quantitative/Analytical Requirement:** A Quantitative/Analytical course (3 credits) is a requirement of all University baccalaureate degrees as per [Credential and Course Criteria](#).

Quantitative/Analytical Elective Course:	□
