Comments:

- Students starting this program from September 2019 onwards are able to use this program planner. If you started the program before this term, please contact Academic Advising for an appropriate program planner or you may refer to [Capilano University Academic Calendar](#) for your program profile requirements.
- **Continuation Requirements:**
 - To maintain satisfactory standing, all Jazz Studies students must be enrolled in a fulltime course of study (at least nine credit hours) that includes a reasonable number of courses specific to their major (normally three) and must achieve a term grade point average above 1.8.
 - To continue from Year 3 to Year 4: a student must achieve a cumulative GPA of 3.00 or better.
- Students whose primary instrument is piano are required to complete 2.0 credits of Secondary PMI in lieu of JAZZ 116 and 117. Students with extensive training in piano may be allowed to take 2.0 credits of Secondary PMI in lieu of JAZZ 116 and 117 subject to Department approval.
- Students whose primary instrument is the drum set or a mallet percussion instrument must have 3.0 credits of Percussion Ensemble in order to graduate.
- Elective credits for the degree must include a minimum of 3 credits designated as Quantitative/Analytical.
- Placement in ENSJ courses will be determined by the department following an audition in the first week of classes.
- A maximum of 4 credits of ENSM courses may be used as credit for the degree. Students choosing ENSM rather than ENSJ courses will be taking 2.0 credits per semester rather than 1.5 credits and therefore will graduate with more credits by the end of their program.
- Students who intend to continue to teacher training at UBC or elsewhere must consult with those programs to be sure their breadth elective, ENSJ, and ENSM choices meet the current requirements for either primary or secondary school teacher training programs.
- **Quantitative/Analytical Requirement:** A Quantitative/Analytical course (3 credits) is a requirement of all University baccalaureate degrees as per [Credential and Course Criteria](#).

Quantitative/Analytical Elective Course:	□
--	---

- **Residency Requirement:** Students transferring to Capilano University must complete a minimum of 50% of their program course credits at Capilano University, the majority of which will normally fulfill the requirements of their final years of study.
- **Graduation Requirement:** A *minimum CGPA of 2.00* (calculated on all program required courses) must be achieved to graduate from all Capilano University credentials. Programs may have additional graduation requirements as approved by the University Senate.

- **Cap Core Requirement:** Students starting in their baccalaureate degree on or after Fall 2018 and graduating on or after June 2022 must meet Cap Core graduation requirements in addition to their program requirements. Please visit the Cap Core website and individual program pages for detailed requirements. List of Cap Core courses can be accessed here – [Cap Core](#).
